## Introduction

Do you want to experience a daily connection with Christ in your life? Do you want to have the Holy Spirit remake your heart as you draw near to God through His Living Word? This “Connecting with Christ” Bible Reading Schedule provides a pathway to finding God’s presence each day. Choose to read one or two chapters a day to fit into your available time for studying the Word of God. These selected Bible Readings are set up with readings for 5 days a week, with 1 or 2 readings a day and two days off for reflection.

You will read through the New Testament in a year by reading the chapter in first column, five days each week. If you also read the chapters in the second column each day, you will read the entire New Testament plus the Book of Psalms, Joel and Habakkuk in the upcoming year in addition to many other pertinent chapters in the Old Testament. The Old Testament Readings are designed to connect you some way with the fulfillment of Jesus Christ as the Messiah and with the Holy Spirit working in your life to make you a new creation in Christ. May the Lord bless you!
